

PANAMA MARITIME AUTHORITY

MERCHANT MARINE COMMUNICATIONS

PANAMA MERCHANT MARINE CIRCULARS

Consolidated List of Valid Circulars

The Directorate General of Merchant Marine maintains a consolidated digital system of Merchant Marine Circulars designed to facilitate access to the circulars, enhance searchability, and provide clear guidance to the maritime community.

Merchant Marine Circulars (MMCs) are official publications issued by the Directorate General of Merchant Marine of the Panama Maritime Authority through which criteria, instructions, orders, and regulatory provisions applicable to vessels flying the Panamanian flag are communicated. These circulars establish technical and operational requirements in accordance with national legislation and relevant international conventions and standards.

Shipowners, operators, agents, and masters of vessels flying the Panamanian flag shall ensure that the applicable Merchant Marine Circulars are kept on board and that their contents are properly understood and implemented by all relevant personnel.

A consolidated digital version of the Merchant Marine Circulars is available through this system and may be searched by category, number or subject. Circulars may be issued, revised, or updated as necessary.
